

Chairman of the Examination Board

Completion of more than 180 ECTS points on the Bachelor's course in Business Administration

Students have the option of completing additional module exams until they have achieved the necessary results pursuant to Section 18(1) (BPO, Bachelor's Examination Regulations). Such additional results may be included in the Bachelor's credentials instead of already completed modules, upon application from the student (**does not apply to compulsory modules and the undergraduate seminar**).
