

Survey on Final Theses

Formalities

- How much lead time is required before the start of the processing time (weeks/months)?

At least 2-3 months should be planned.

- Deadline(s) for applying for the Bachelor's thesis (date/month):

There is no deadline for applying for the bachelor's thesis.

- Deadline(s) for applying for a Master's thesis (date/month)

There is no deadline for applying for the master's thesis.

- Documents to be submitted when applying for a thesis (e.g. Topic expose (scope), ToR, CV, etc.):

Topic exposé with a length of approximately 2 pages. A template for this can be found on our chair's homepage.

Prerequisites

- Is it compulsory to attend courses at the chair or certain modules?

Yes

No

- If yes, which/ how many?

For the bachelor's thesis, attendance of a relevant proseminar is required (not necessarily at our chair).

- Are theses with company cooperation possible?

Yes

No

Yes, collaborations are generally possible. However, it should be noted that the thematic orientation and evaluation of the work are exclusively based on academic standards and not on the specifications/expectations of the collaborating company.

- Is it possible to suggest your own topics?

Yes

No

... and even explicitly encouraged.

- Is empirically oriented work possible with appropriate statistical knowledge?

Yes

No

... and even explicitly desired.

- Does the department have a list of topics for theses?

Yes

No

We have a list of possible (general) subject areas on our chair's homepage. You can use this as a guide when independently developing a topic proposal.
