Form "Application for Approval of Modules in the Doctoral Program"

Hereby, I apply for approval of the following module in the doctoral program at WFI:

Name of module: ....

Institution: ....

Lecturer: ....

Time/date: ....
(e.g., May/June 2016)

ECTS: ....
The lecturer will determine the amount of ECTS points. 1 ECTS point should correspond to 25 to 30 working hours including attendance, preparation, and follow-up work. This classification is a guideline. The workload can be reduced if the module is particularly difficult or demanding. The number of ECTS point needs to be displayed on the attendance certificate.

Hours: ....
(Only fill in if the lecturer does <u>not</u> award ECTS points) Please indicpate the number of contact hours (e.g., 2 days à 8 h = 16 h). The chairman of the dissertation committee will convert the contact hours into ECTS points.

Field: O Methods
(Tick appropriate option) (Acquisition and application of methods in academic research, particularly in empirical research)

O Key qualifications
(Facilitation of personal development as a researcher, particularly verbal and written articulation)
