## Semester 3

- You can choose the 2 mandatory and 3 compulsory elective modules from any of your five Master's degree programs:

- For the ethics module, you can choose any ethics module offered at Master's' level at WFI .
- You can choose modules in English or German.

### Master thesis:

- Choose an advisor by yourself from one of our chairs.
- Contact your adviser **BEFORE** you start your Master Thesis and discuss the topic, procedure, and further details.
- Inform your supervisor and the examination office about the shorter period (i.e., three months only, which is half of the regular time) in case you choose option 2.
- The official processing time for the Master Thesis starts after official registration at our examination office.

### Internship:

- An internship is only required if you choose option 2.
- A three-months internship is preferable, as it allows you to complete your studies within the regular period of study.
- However, you can choose to complete a six-months internship as well, which means that you graduate later.
