Electives (25 ECTS)	Ethics Module (5 ECTS)	Studium.Pro (5 ECTS)
<p>Generally all Master modules offered at WFI – Ingolstadt School of Management can be treated as an elective module. Additionally, courses taught at other universities or at other departments of the Catholic University Eichstätt-Ingolstadt can be recognized as elective modules upon request.</p>	<p>Students get in-depth knowledge of the theories and methods of normative economics and business ethics. Modules in this area enable students to perceive ethical problems at an economy-wide and at a business level, to analyze them and to develop appropriate solutions.</p>	<p>https://www.ku.de/en/study-at-the-ku/studienangebot/studiumpro/studiumpro-start</p>

Master Thesis (30 ECTS)
<p>All staff entitled to give exams at the department can assign topics.</p>

Modules marked by *are being taught in English.
Modules written in bold and italics are **mandatory**.
Usually all modules except the thesis are credited with 5 ECTS.
