CURRICULUM FOR THE 4th SEMESTER AT WFI

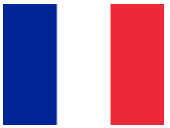

**Master Thesis
(15 ECTS)**

**Internship
(15ECTS)**

* Choose an advisor by yourself from one of our departments. Contact your advisor BEFORE you start your Master Thesis and discuss the topic, procedure, and further details. The official processing time for the Master Thesis starts after official registration at our examination office.

The master thesis can be independent from the internship or linked to the student's missions within the internship. In both cases, the master thesis should present a **clear research issue**.

CURRICULUM FOR THE 4th SEMESTER AT WFI: Internship

- Internship at a company
- Internship can be done in Germany (preferred) or France or in any other country
- To earn the credits of the intern you have to submit an internship report:

Internship Report

- 10-15 pages in German or English
- Covers:
 - ▶ The internship report should include the different tasks, the new experiences, and your personal impressions gained during the internship.
 - ▶ Students should demonstrate that they are able to appropriately evaluate operative conditions and develop constructive suggestions for improvement.

- Proof of internship (to be submitted with the Internship Report): copy of the employment agreement or copy of your employment certificate.
- Internship report and proof of internship to be sent to the program coordinator **sekretariat-dlm@ku.de**
