

Welcome to Saint Anna
Guesthouse of the Benedictine Saint Walburg Abbey in Eichstätt

After remodeling and modernization from 2016 to 2022, the historic guesthouse of Saint Walburg Abbey is open once more with a new use (see enclosed commemorative publication). The Catholic University of Eichstätt-Ingolstadt rents four apartments and a guest room for its visitors. Your host, the Catholic University of Eichstätt-Ingolstadt, as well as Saint Walburg Abbey as the owner of this building would like to welcome you and to wish you a pleasant and blessed stay.

The following house rules as agreed by Abbey and University apply to our guests:

- Guests are welcome to make use of any items in the accommodation. Please handle them with care and consideration of the next guest to occupy these rooms.
- Naturally, we are all making an effort to avoid damage to the rooms and the interior. Nevertheless, if something does get broken or lost, please tell us.
- In the interest of our guests, smoking is prohibited in the accommodation.
- In the interest of keeping good relations with our neighbors, we would ask you to observe the usual quiet times such as midday, night and Sunday by keeping noises to a minimum at these times.
- For parking please use the designated spaces in the public parking lots nearby (Freiwasser).
- You are responsible for your rooms during the rental period. Please close doors and windows when leaving the apartment.
- To avoid mold and lime residue, please air and clean the rooms well.
- You may not bring animals to your accommodation.
- Please be kind to the environment and separate your waste into recyclables and non-recyclables.
- Do not dispose of garbage, food scraps, harmful liquids or other waste in the kitchen sink, the toilet, the bathroom sink or the shower. Please do not dispose of (feminine) hygiene items in the toilet.
- If you use dishes, cutlery, glasses, pots, and other items, please do not put them back into the cabinets without cleaning and drying them properly first.
- Always use a coaster for hot pots and pans.
- To avoid scratches or water damage to sensitive surfaces of furniture and floors, please use covers on them if possible.

You should leave the accommodation as you found it. The following tasks have to be finished before leaving:

- Empty the fridge and the freezer compartment.
- Put back the cleaned and dried dishes to their proper places.
- Compare kitchen utensils with the inventory list in the kitchen to make the final apartment check-out easier.
- Please empty all the bins in your apartment and dispose of the trash in the designated trash containers.
- Close all windows.

- Leave the apartment clean.
- If you have not already done so, inform us of any damage on the apartment and loss of household items.
