

Courses in English -Winter semester 2026-2027 - English Language

Please note: This table lists all **modules** offered in English. Each module includes one or more courses on related topics. These courses may have different titles and can change each semester, while the module titles remain the same. Exchange students are not enrolled in a full degree program at KU. However, they can take individual modules from different programs. **ECTS credits are only earned by completing an entire module** – not for attending individual courses within a module. To view the available courses within a module – including details on ECTS credits – please click on the **course number**. Please note that this list may not be complete.
