# International Fall Term Program

Students put together their individual program, selecting exciting courses from the fields of **Innovation and Creativity, Service Management, International Management, Micro- and Macroeconomics, Social Policy, Business/Economic Ethics, Taxation and Public Finance.** They can also attend a German language class and the module "Discover Germany".

Please find all available courses at **[www.ku.de/international/ift](http://www.ku.de/international/ift)**.

All courses are open to German and international students alike.

## Why KU / WFI ?

Students are not a number

Strong commitment in student organizations
