

Host Site Request List

International Student Exchange Program

U.S. Students

Be sure to read all special directions on this form before filling it out. A **Course Request List** must be completed for **each institution** that you list. Please type or print clearly in BLOCK LETTERS.

1. List below, in order of your preference, ISEP member institutions at which you wish to study. It is recommended that you identify several institutions at which you would accept placement.

1. _____	6. _____
2. _____	7. _____
3. _____	8. _____
4. _____	9. _____
5. _____	10. _____

2. You can authorize ISEP to place you at any academically appropriate site if none of the sites requested is available. If you wish to be considered for other sites, ISEP will try to find an appropriate site for you and notify your ISEP Coordinator. If you do not wish ISEP to select an alternative site for you, you will not be placed unless a space opens up later at one of your requested sites.

If the sites listed above are unavailable (please check one):

I authorize ISEP to place me at any academically appropriate site.

I do not wish to be considered for other sites.

Additional Instructions

ISEP-Direct Placements

ISEP-Direct sites are marked with a ① in the ISEP *Membership Directory* and on the ISEP Web site; sites that are not marked with a ① are not available as ISEP-Direct placements. You may apply for reciprocal and ISEP-Direct placements at the same time. Each placement option should be listed separately. For example, the list of preferred sites could read:

1. University of Ghana
2. University of Ghana—ISEP-Direct

Australia and New Zealand ISEP-Direct Placements: A special application form is available on the ISEP Web site for ISEP-Direct programs in Australia and New Zealand.

UK-Direct Placements: If you are applying for an ISEP-Direct placement in the *United Kingdom*, you must also list which **fee option** you are applying for (tuition-only; tuition & room; or tuition, room & board). Example: University of Plymouth – ISEP-Direct – tuition & room.

Multi-campus Institutions

The following are multi-campus institutions: ITESM, Mexico; University of Ulster, Northern Ireland.

When applying for a multi-campus institution, please list the campus you would prefer. However, the final placement decision is determined by the host institution. **Please note:** Not all academic fields offered by a multi-campus institution will be available on every campus; make sure that the fields of study you are requesting are available on the campus you list.
