Funding for study trips abroad in 2026

PROMOS is a program to increase student mobility and replaces a number of DAAD scholarship programs. Unfortunately, these means are very limited due to cost-cutting measures.

Funding conditions

Funding can be granted for 1-2 study trips (of students) with a maximum duration of 12 days. The trip must be accompanied by at least one University representative. In addition to imparting subject-related knowledge and providing an insight into the host country, the **focus should be on meeting students and researchers**. Trips with a predominantly touristic program are not eligible for funding, nor are lecture or congress trips. The content of the trip should focus on **education, migration and sustainability**.

Aim of the funding

The aim of the funding for study trips is to increase the number of students who get the chance to travel abroad accompanied by a professor/lecturer during their studies.

The funding includes a per diem of € 45.00 per person for up to 12 students per trip with a maximum of 12 days of funding (total volume per trip thus € 6,480.00). A maximum of one accompanying lecturer may also be funded at the above rates. Additional accompanying persons must be financed from other funds (e.g. faculty funds).

Application deadline

- **February 15th 2026**

Required documents:

- 1) Detailed program description including schedule
- 2) Invitation letter from host university abroad
- 3) List of participants
- 4) Description of the content-related preparation of the participants (e.g. through obligatory attendance of a seminar)

5) Financing plan

Please note: PROMOS scholarships do not include any insurance coverage. However, sponsored students/doctoral candidates and accompanying University representatives have the opportunity to take out insurance through the DAAD.

After completion of the study trip:

Within one month after the end of the trip, the International Office must receive:

- 1) Report by the responsible lecturer(s) (accompanying person)
- 2) If applicable, reports in the press/media
