Application for the Sustainability Prize 2024

Sustainability Prize awarded by the Fritz Gutmann Brewery Foundation for innovative and practice-oriented theses and teaching projects in the field of sustainability

This Sustainability Prize honors theses and teaching projects with a sustainability focus. The nominated work must have been completed in the 2023 summer semester or 2023/24 winter semester.

In addition to lecturers, students may also submit proposals for the Sustainability Prize (it is also possible to nominate yourself).

The following documents must be submitted when applying for the Sustainability Prize:

- Short résumé in table form
- Relevant justification describing and evaluating why the work is worthy of receiving an award (for final theses, please also state the awarded grade); A 4 to 6-page summary of the thesis written by the students themselves, focusing on the following aspects:
 - Methodological and scientific approach, research question
 - Reference to sustainability
 - Contribution of the work's content or methodology to sustainability research
 - Practical relevance
 - Critical reflection on the results of the work
- Complete digital version of the thesis
- If applicable, an expert opinion by the supervisor of the thesis/project

Please send applications/nominations by e-mail (with PDF attachment) to preise@ku.de

The application deadline is April 02, 2024.

If you have any questions regarding the Sustainability Prize, please contact Ms. Annette Kümmel
