

## Call for applications

### Erasmus+ funded teaching and training mobility worldwide

The International Office of the KU is inviting applications for the following Erasmus+ grants:

**1. For all lecturers of the KU:**

**teaching stays worldwide (STA mobility)**

Funding is available for teaching stays at partner universities<sup>1</sup> of the KU worldwide<sup>2</sup>, provided that the following criteria are met:

- At least 8 units of teaching per week at the partner university
- The partner university must be willing to sign an Inter-Institutional Agreement (IIA, Erasmus+ Agreement) with the KU and to confirm the participation (Mobility Agreement before departure and confirmation of stay after completion of the mobility).

**2. For all academic and administrative staff of the KU:**

**training stays worldwide (STT mobility)**

Funding is available for job shadowing, participation in continuing education programs at KU partner universities<sup>1</sup> worldwide<sup>2</sup>, and for professional and subject-specific language courses worldwide, provided that the following criteria are met:

- Job shadowing stays must be carried out in comparable institutions at KU partner universities and organized independently. The International Office of the KU will be happy to assist in establishing contacts.
- Professional and subject-specific language courses can only be funded at an advanced language level. General language courses (similar to those offered by the KU Language Center) are not eligible for funding.

**Travel period**

From now until October 31, 2023

**Funding period**

At least 5, maximum 30 days

---

<sup>1</sup> All partner universities with which the KU has an active cooperation agreement.
