## **Major of Finance, Banking and Capital Markets**

---

During the WFI bachelor programm at the Catholic University of Eichstätt-Ingolstadt, the election of a major is mandatory for all students. In this context, the chair for Finance and Banking of Prof. Mählmann coordinates the specialization in " Finance, Banking and Capital Markets".

The curriculum at this [link](#) is valid according to the rule of examination.

If you want to get your courses from the exchange semester accepted as "Compulsory Elective" then they have to be reviewed individually.
