▣ LehramtPlus

The KU's teaching degree model Lehramt^{plus} enables students to obtain a Bachelor's and Master's degree in addition to the standard teaching degree, qualifying them for careers outside of teaching. This is also an advantage for students who intend to enter the teaching profession, as it gives them a unique profile.

Further information about the teaching degree program can be found [here](#) (German) and on the website [MyWay](#) (German).
