

## Prof. Dr. Susanne Jochner-Oette (Dean of Studies)

---

Prof. Dr. Susanne Jochner-Oette

Physical Geography/Landscape Ecology  
and Sustainable Ecosystem Development

Catholic University of Eichstätt-Ingolstadt

Ostenstraße 18

85072 Eichstätt

Room: 203

Phone: +49 8421 93–21742

[Susanne.Jochner\(at\)ku.de](mailto:Susanne.Jochner(at)ku.de)

Consultation hour: after previous  
arrangement

---

### Fields of interest

- Aerobiology
- Phenology
- Ash dieback
- Urban climate
- Forest ecosystems
- Dendrochronology

### Academic career

- **Since 2017:** Dean of Studies "Geography", Catholic University of Eichstätt-Ingolstadt
- **Since 2017:** Member of the Presidential Commission for Studies and Teaching, Catholic University of Eichstätt-Ingolstadt
- **Since 2015:** Elected member of the Faculty Council of the Faculty of Mathematics and Geography, Catholic University of Eichstätt-Ingolstadt
- **Since 04/2015:** Holder of Professorship: Physical Geography/Landscape Ecology and Sustainable Ecosystem Development at the Catholic University of Eichstätt-Ingolstadt
- **01/2015 – 02/2015:** Study abroad: School of Architecture, Center for Sustainable Development and Ladybird Johnson Wildflower Center, University of Texas at Austin, USA

- **10/2013 – 03/2014:** Substitute Professor of Physical Geography/Landscape Ecology at the Catholic University of Eichstätt-Ingolstadt
- **10/2012 – 03/2015:** Lecturer at FH Weihenstephan-Triesdorf
- **07/2012 – 03/2015:** Research Assistant in the field of Ecoclimatology at the Technical University of Munich (TUM)
- **07/2012:** Doctoral degree (Dr. rer. nat.) at the Technical University of Munich (TUM) – doctoral thesis: „Environmental responses of phenology and allergenic pollen to recent climate change and urbanisation”
- **08/2011 – 10/2011:** Study abroad (DAAD): Depto. de Botânica, UNESP São Paulo State University, Rio Claro
- **04/2009 – 04/2012:** PhD student in the field of Ecoclimatology at the Technical University of Munich (TUM)
- **10/2003 – 04/2009:** Study of Physical Geography at the Catholic University of Eichstätt-Ingolstadt - Diploma thesis: „Untersuchungen zur Phänologie urbaner und ruraler Gebiete in Deutschland" ("Analyses of the phenology of urban and rural regions in Germany")

## Awards

- Award winner of the German Forest Science Award 2014 (Deutscher Forstwissenschaftspreis)

## Memberships

- Bund Naturschutz
- Deutsche Meteorologische Gesellschaft
- International Society for Biometeorology
- VGDH (Verband der Geographen an Deutschen Hochschulen)
- Internationale Gesellschaft für Landschaftsökologie - Deutschland
- International Association for Aerobiology / European Aerobiology Society
- Fachbeirat des Landschaftspflegeverbands Landkreis Eichstätt e.V.

## Function as expert reviewer

- Climate Research
- Global Change Biology
- Nature Communications
- Atmospheric Environment
- Landscape and Urban Planning
- Science of the Total Environment
- Urban Forestry & Urban Greening
- Agricultural and Forest Meteorology
- International Journal of Climatology
- International Journal of Biometeorology
- International Journal of Vegetation Science
- Member of the Editorial Board of the journal Forests
