

Philosophical Master Class

Gift and the Common Good

09th - 14th September 2013

With the opening of the interdisciplinary research project "Justice and Society. A New Look at the Common Good" (2013-2016), the Institut Catholique de Paris and the Catholic University of Eichstätt-Ingolstadt have gotten together in order to offer advanced students, doctoral candidates and up-and-coming academics of German universities a week long research seminar on the theme of "Gift and the Common Good". The Master Class takes place from the 09.-14. September in Eichstätt
