

Costs and Funding

Cost of living

Studying at university is exciting and equips you with the skills you need for a successful career. However, it is associated with costs – for rent, food, books, and other things. [More...](#)

KU scholarship for international students

The KU offers a scholarship for academically qualified international students in financial need. This scholarship is funded by the Bavarian Ministry of Education, Science, and the Arts. [More...](#)

Other scholarships

There are various foundations and organizations in Germany that offer scholarships, many of which are also open to international applicants. [More...](#)

Jobs and internships

Students can find job advertisements for Eichstätt, Ingolstadt, and the surrounding area here. The KU is only responsible for posting the advertisements. If you have any questions, please contact the company or organization offering the position. [More...](#)
