

Information for foreign nationals

» [Please click here for information on admission requirements for foreign nationals](#)

All foreign applicants (including EU citizens) have to file an application for admission in any case:

- **For the summer semester: by January 15th**
(usually, start of studies only possible for higher semesters of a program),
- **For the winter semester: by July 15th or (for *Fachhochschule* degree programs) by June 15th**

of each year.

The application for admission shall be addressed directly to the KU Student Office at Studierendebüro der Katholischen Universität Eichstätt-Ingolstadt.

If you are a foreign national but have gained your university entrance qualification in Germany, the same enrollment modalities as applicable to Germans shall apply – no foreign national application for admission is required.
