International Guest Professor from Isfahan

Prof. H. Yazdan panah, Dean of the Faculty of geography and environmental planning at the University of Isfahan in Iran, was a Guest at the Chair for Tourism / Center for Entrepreneurship in November 2017. His visit took place within the tendering by the Bavarian Government for International Guest Professors.

Prof. Dr. Harald Pechlaner (middle left), Prof. H Yazdan panah (middle right) and the team of the Chair of Tourism

During his stay, the international cooperation in academic relationships between the University of Isfahan and the Catholic University of Eichstätt-Ingolstadt could be expanded. Prof. Yazdan panah held lectures in Tourism Management, Tourism Geography, Climatic natural hazards and environmental processes and Basics in Geography and Management. Therefore, Prof Yazdan panah provided insights into his research topics, like climate change and tourism or tourism product development in Iran.
