## **International week at the University of Modena**

**Our colleagues Julia Hagel and Julia Galeczka took part on the international week at the University of Modena and Reggio Emilia from the 7th May until 11th May 2019. As guest lecturer, they gave classes in the field of International Marketing and Cross-Cultural Management. The Erasmus teaching mobility program supported the international teaching experience of our staff members and gave the possibility to build and strength the research collaboration with the Marco Biagi Department of Economics of the University of Modena.**
